Our goal was to find out how the Beth El Religious School runs. This journey took us to an interview with the Beth El Religious Director, Yaffa Fuchs. Yaffa loves working at Beth El, as she has been working here for 21 years. Yaffa told us that the religious school has seven grade levels, from kindergarten through 6th grade. One of the responses we liked most was when we asked Yaffa—How do you keep things under control? Her answer was that, “I teach kids how to treat people nicely so they would be treated the same way back.” We thank Yaffa Fuchs for sharing her time to answer these questions and help us learn more about how the Beth El Religious School runs.
